Hello Carlos & Carlos

Thanks for the list of plant species and trees.

I scanned the list and noticed the trees specified were fruitless olive trees, the same trees which the EHBID removed from the entire EHBID area due to it being a problematic tree to maintain. The last 7 olive trees on Vermont between Hollywood and Sunset will be removed shortly.

I believe this is the first time I've seen the landscape plan.

Does the EHBID board still have the time to review the landscape species list and make change recommendations without delaying the median construction?

Vaya con Dios,

Subject: Vermont Ave Project - Picture of Plant Species

Hello Jeff,

It was nice seeing you at the meeting this afternoon. Per our conversation, I have attached a copy of the contractors submittal for approval on the plant species, which has some picture for your reference. I hope this information will helpful. Please let me know if you have any additional questions or concerns.

Thanks and have a great day.
